A red heart is the central focus, resting on a white lace doily. A small, light-colored rectangular piece of paper is taped to the heart, containing handwritten text in black ink. The background is a dark, solid color. A thin, light-colored branch or twig is visible on the right side, partially overlapping the doily.

Laurie Arnett would like to thank her church family for all the nice phone calls, cards, and food during her recovery from spine surgery. Thank you also for your prayers for a successful surgery and recovery-God has answered those prayers! She is looking forward to getting back to church soon. Thank you!!!!

Mark this date on your calendar, A special night of music to be held at our church on Saturday March 11th. This is a special time presented by our Worship team to worship with our fellow Christians in the community and invite friends and family.

Our church has been exceedingly generous in helping with worthy student aid for our Academy students. We now have several students needing worthy student aid for College also. This will be a separate fund from our Academy Worthy student. If you find you can help out in this area, please mark your donations "College Worthy Student" and put them in your tithe envelopes.
